CANYON TRAIL

You'll love the spacious living areas and views inside

Our large windows and generous floor space are second-to-none. With this never-ending attention to detail, you will be the envy of the campground.

Owning a Canyon Trail is like experiencing a piece of paradise. Take the plunge, and you'll never look back. This streamlined 5th wheel is very pleasing to the eye; an easy style that flatters you. From seascapes to mountain views and everything that's green in between, *The Gulf Stream touch lifts you above and beyond.*

With 14 different floor plans to choose from, you can rest assured that you will find the perfect space built with your needs in mind.

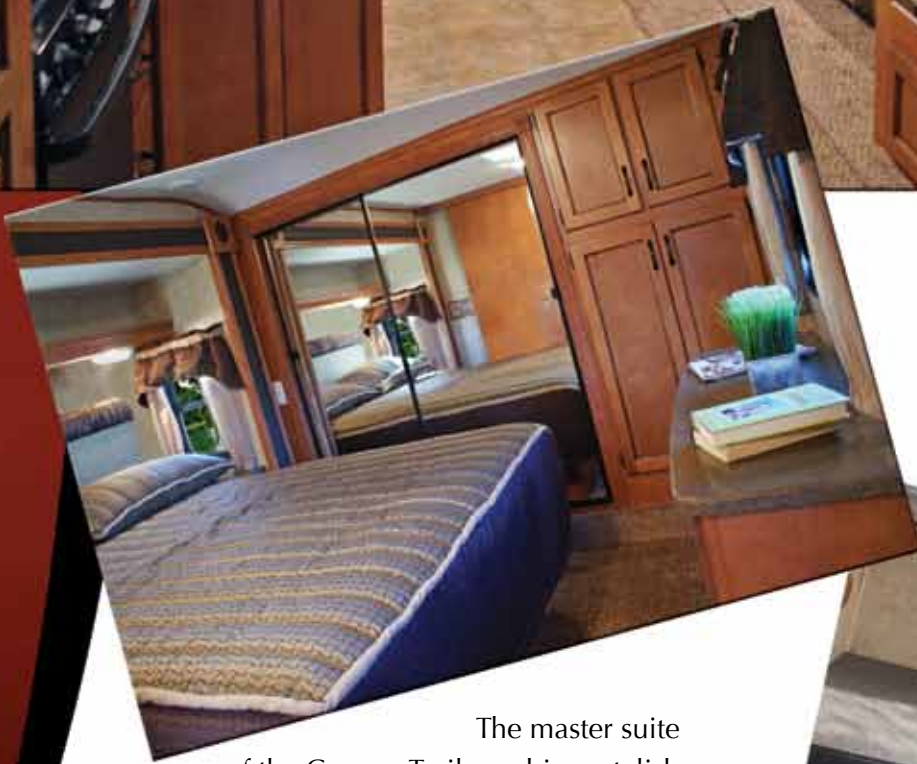

A floor plan that meets your needs

Food, family, and friends come together in this winning kitchen and dining area featuring well-loved wood cabinetry of maple, spotless counter tops of Corian, and functional dinette. No need to dine out or carry in; prep time is pleasant and efficient for all your meals and snacks.

We achieve a high-end look but at an affordable price point with real wood slide-out facia, and residential furniture assures home away from home comfort and feel.

Because everyone's needs and desires vary.

Residential living space to rest and rejuvenate

The master suite of the Canyon Trail combines stylish appointments that make rejuvenating comfortable and easy. There is space to unwind, exhale, and drift off at night and space to awaken, inhale, and dress in the morning. *The Gulf Stream touch takes you away and brings you back*

The Canyon Trail features plenty of storage

Take your toys with you in the extra large storage compartments
